**Subject:** Tega Cay, SC - Water

My name is Linlee Markle I live in Tega Cay, SC You may have heard of us, we are the people fighting for clean water in Lake Wylie for drinking and recreation.

UI/TCWS has trashed our environment with it's disgusting waste water plants on our golf courses and by dumping more than 500,000 gallons of sewage into Lake Wylie from January 2013 to January 2014.

DHEC has fined them twice: \$22,000 and \$60,000. Sounds great until you realize that they pass those fines onto us, and the money goes to DHEC and York County. Fines for a company as wealthy as UI/TCWS is simply a nuisance to them.

We can't sue them in small claims courts, they are protected by law as a private company and as a public utility against consumer suits.

All we can do, is ask you to work for us to rid South Carolina, to rid Tega Cay, of this foul, polluting, law-breaking company. We need your help!

Thank you,

Linlee Markle
